

## Project 1

- High neck White Crown

High neck and sleeveless gown. Back panel Corset back / lace up back. it is a Ball gown with grand dress.

its good for pear-shaped body. Tall and slim women's

→ High neck balances their height and adds elegance.

Small bust / smaller chest size → it creates the illusion of fullness.

Long neck → highlights and frames the neck beautifully.

Three layered neck and 1 layer sash again 1 layer red.

→ Avoid

Heavy bust / Full chest → High neck can make the bust look heavier and broader.

Short neck → it can make the neck look even shorter.

For brides or clients with heavier bust, you can suggest

V-neck, ~~set~~ scoop neck or sweetheart neck.

veil, Low cut earring can suit, Hairstyle: soft buns.

minimal green gloves. for daytime weddings → keep it soft & glamorous. For evening weddings → you can go slightly bold with eye-lips.

- Project 2

-> Lehanga Onion Pink.

- Soft Onion pink Colour. It's gives a feminine, elegant, and modern pastel vibe.

Print and Embroidery

- It has Floral embroidery in shades of tangerine-pink flowers, giving a lively cheerful.

- The leaves are embroidered in ash, mercury, gray which balances the warm tones of the flowers.
  - embroidery is highlighted with create a delicate, graceful movement.
  - perfect for pre-wedding functions like sangeeth, mehendi, or engagement, where the bride ~~or~~ wants something fresh.
- Neckpiece: the blouse has pearl detailing on the sleeves a pearl choker with a hiral kundan will complete the beauty.

maang tikka: A medium-sized maang tikka. earrings: Pearl jhumkas or chandbali earrings (peach/pink stones).
