best practices, reviews, and delivery timelines.

- Coordinate with the testing and operations teams to ensure smooth release cycles and error-free production deployment.
- Maintain system architecture, perform version control, and ensure stable ongoing performance post-deployment.

5. Notice Period

A 2-month notice period is required in case of resignation or termination.

6. Confidentiality Agreement

- Maintain strict confidentiality regarding all tools, data, reports, and workflows
- Sharing internal documents or testing materials externally is prohibited and will lead to legal consequences

7. Device & Asset Usage

If any company asset is provided, it must be returned in working condition before exit.

8. Concurrent Engagements

During the course of your employment, you are not permitted to take up or be involved in any other employment, freelance project, or business activity—paid or unpaid—with prior written approval from the management. This is to ensure full focus and accountability toward company projects and deliverables.

I have read and accept the above-mentioned terms and conditions.
