

- Victorian choker.

A Victorian choker is a close-fitting necklace worn high on the neck. It is a popular fashion during Queen Victoria's era. They were an essential accessory for both high fashion and everyday wear.

* These include small diamonds stones, polki stones and crystal pearls.

* Victorian polki necklaces add a touch of elegance and sophistication to any outfit.

- ? The Dresses suits for the Victorian choker

1. Evening gowns like Ball gowns.

The look for formal occasions, evening gowns featured low or open necklines. A opulent, jeweled or pearl studded choker was the perfect piece to fill that exposed skin and draw attention to the neck.

2. Heavy lehangas.

The Victorian-style choker has become a key element in modern Indian bridal fashion, serving an important function both visually and stylistically when paired with a heavy lehenga.

Additional Jewellery like small tikka matching with the chokers and a heavy earring and a simple Bangles.

- Antique long chain

Antique long chain is a versatile and historically fascinating piece in any jewelry collection. These jewelry is popular during the Victorian and Edwardian eras.

* These chains created with a functional purpose.

* unlike mass produced chains, antique long chains are often hand-made or machine cut with great precision.

- ? The Dresses suits for the Antique long chain

1. The single strand Jewelry worn long, straight and low over a simple blouse, sarees etc. plain silk, chiffon or georgette sarees were best.

2. Kanjeevaram, Banarasi or heavy lehangas also try with antique long chains.

3. A long chain is paired as a matching second piece down the necklace. Mostly with traditional wear sarees and Dhawani etc.

Additional Jewellery — *

Like : a heavy Thimka and a choker neck piece. It also give the outfit complete.
