

# HARIKRISHNAN S

## STORE MANAGER

### PROFILE

Results-driven Store Manager with extensive experience in sales, customer service, staff supervision, and daily store operations. Skilled in building strong customer relationships, optimizing team performance, and implementing effective strategies to drive revenue growth and operational efficiency. Proficient in inventory management, merchandising, scheduling, and the use of business software tools to support seamless store functioning. Known for leading by example, resolving challenges with professionalism, and delivering outstanding customer experiences. Seeking a dynamic store management role to leverage my leadership abilities and contribute to organizational success.
